Mazes >

Mazes

Our freestanding mazes provide an exciting centre piece over the summer holidays, designed to fit your space and dressed to suit your specifications our mazes are always crowd pleasers.

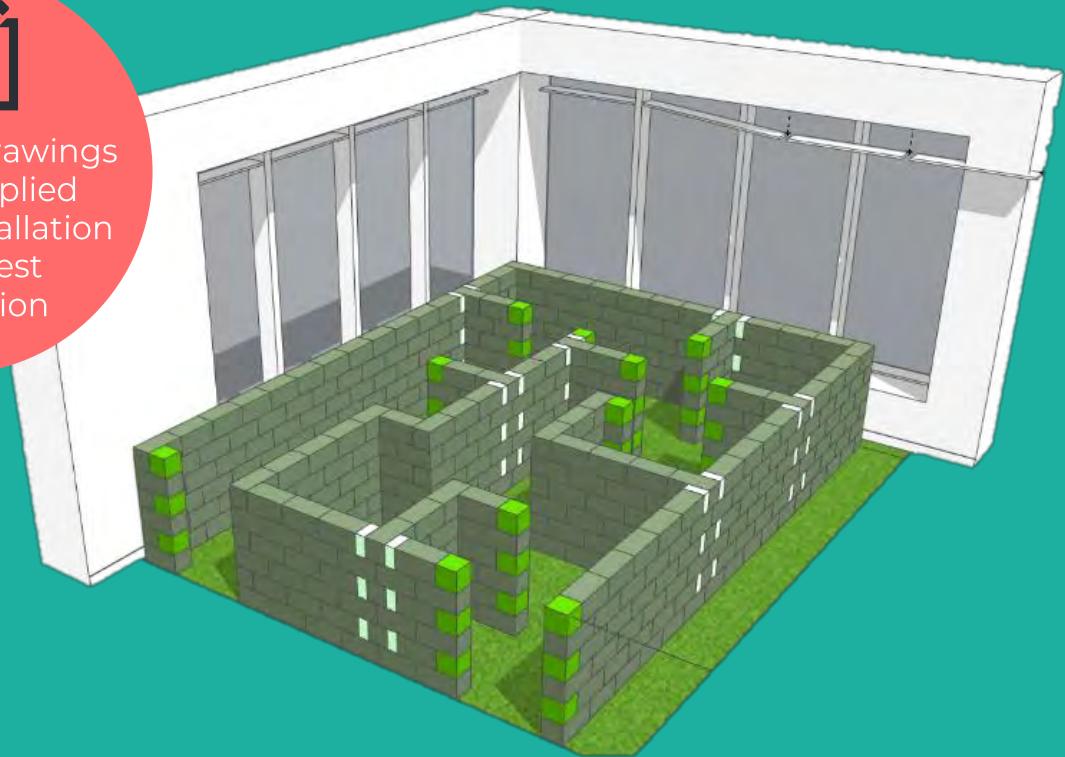

Quick Block Maze

Our QUICKBLOCK mazes are constructed from modular blocks made from 100% recycled plastic.

Our QUICKBLOCK mazes can be build to fit any space and can even be used to create walling for other projects such as a winter snow play or queuing system.

Full design drawings can be supplied ahead of installation for the best visualisation

*How can you
use our blocks?*

Hedge Maze

Our artificial hedge mazes are best suited to large indoor areas. They're a great way to add greenery and excitement to your space.

Combining adventure, challenge, and discovery in a way that excites both the mind and body! Mazes add a sense of mystery to all ages.

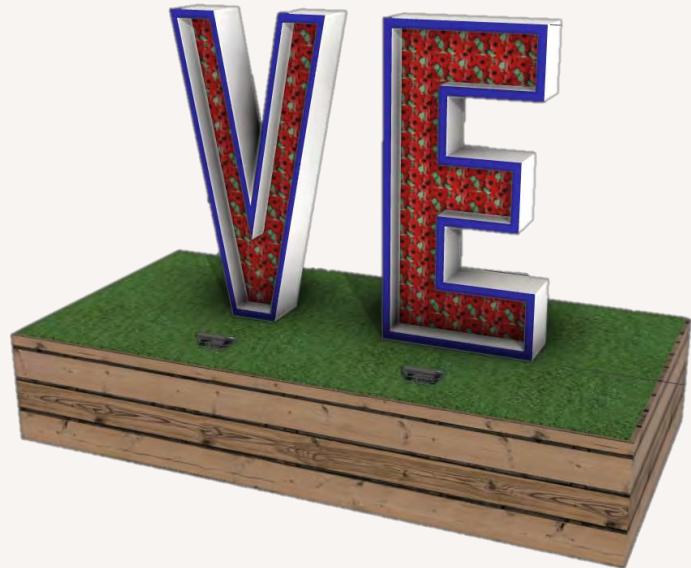

Giant Letters

Celebrate any occasion with our giant letters.
Giant letters make bold eye catching statement in
any space.

Made to order our letters can be painted and
decorated to your specifications with the option of
adding plinths and up lighting for an
increased impact.

Floor graphics

Floor graphics are a great way to inject colour into a place when space is at a premium.

Striking floor graphics are a great way of engaging with the public by promoting upcoming events or as wayfinding.

Develop a sense play in a space by incorporating games into floor graphics.

Information Towers

Information towers are a highly effective of promoting upcoming events and generating interest.

Information towers are big enough to be noticed but small enough to be placed almost anywhere!

Our towers are either 3 or 4 sided and stand 2.5m or 1.8m tall

No planning is required for short term installations.

Activities

Promote learning and fun

- Pickle ball court
- Terrarium building
- Ship deck games- shuffle board, Cornhole and quoits
- Kinetic bike race
- Summer crafts
- QUICKBLOCK building sessions

Add games and activities to your event space to encourage footfall.
